Dear Parents and Carers

Interim swimming lessons for all Pre-primary to Year 6 students will be held from **Wednesday 30 March**, through to **Friday 8 April, 2016** (Term 1, Weeks 9 and 10) at Beatty Park Aquatic Centre. **Students will be travelling by bus. (BusWest)**

**Cost**
The cost is **$42** which covers pool admission for the duration and the travel by bus. Payment can be made by cash or cheque (please make cheques payable to: North Perth Primary School) and is to be returned to the school in the pre-printed envelope provided. **The pool charges $2.50 for parent entry.**

**Closing Date**
*Please note that all payments are to be returned by Friday 18 March 2016. This is a week and a half before swimming starts. Late payments may not be accepted.*

**Student Participation**
Student participation is strongly encouraged as the program forms part of our Physical Education curriculum and develops students' water safety and swimming skills. Students enrolled in the Interim Swimming Program will be expected to attend every lesson.

Please do not hesitate to contact Andrew Streeton (Deputy Principal) if your child has a diagnosed medical condition which may impact on their daily participation in the Interim Swimming Program. Arrangements can be made to support their attendance.

**Returned Forms**
Please complete the Enrolment Form (blue) and Consent Form (tear off slip below) and return to your class teacher with payment.

**Enrolment Form**
The Enrolment Form must be completed and returned for each child participating in the swimming program. It is important that the stage the child is ‘going for’ is indicated on the form and not the stage they’ve already achieved. If you are unsure of your child's stage, or they have attempted a stage three times unsuccessfully, please indicate this on the form so that additional support may be arranged. You are also required to record on the form any medical conditions that may affect your child’s safety in the water.

**Medical Conditions**
If a child is known to be subject to any form of medical condition involving periodic loss of consciousness, the child will be directly supervised by their classroom teacher whilst they are in the water. The parent/carer must always be satisfied with the level of supervision provided and must contact the school if there are any queries or concerns.

**Items required**
Bathers, goggles (optional), swimming cap (optional), towel, rashie, underwear, hat, sunscreen and a labelled waterproof bag.

All students are required to be ‘sun-smart’, wearing sunscreen and an appropriate t-shirt or rashie. Swimming goggles are permitted but not snorkelling goggles. Students with long hair are required to tie it back.

**Procedure**
Students may wear their bathers to school underneath their school uniform. They will not take their uniform or shoes off until they are at the pool marshalling area. Clothes and shoes will then be placed into their labelled waterproof swimming bag (which they leave at the marshalling area). At the end of the lesson the students dry off in the marshalling area. Students will get changed back at school. **Please ensure all items are clearly marked.**

*Note: If it is not practical for children to wear their bathers to school they will be given time to change at school prior to leaving for the pool. Please negotiate this with your classroom teacher.*
